

RYDE SCHOOL
WITH UPPER CHINE

PARENT CONTRACT

TERMS AND CONDITIONS

What these terms cover. These are the terms and conditions on which we provide educational services.

Why you should read them. Please read these terms carefully before you accept our offer of a place at the School for your child. These terms tell you who we are and how and on what basis the School will provide educational services.

In these terms you will see some parts written in bold or highlighted to stand out. This is in an effort to draw certain provisions to your specific attention because they are important to the good management and operation of the School and our provision of educational services.

If you think there is a mistake in these terms, or if anything in these terms is unclear or you would like to have further explained to you, then please contact the Bursar to discuss.

1. **Definitions**

(a) *Meanings of some words and phrases we use in these terms and conditions.* In these terms and conditions some words and phrases have particular meanings and it is helpful to ensure certainty and consistency to have them defined. Such defined terms are set out below and when used in these terms and conditions they shall have the meaning given to them here.

"**Acceptance Form**" means the form provided by the School for parents to complete when accepting a place for their child at the School;

"**child**" means a child of whatever age admitted by the School to be educated, and includes any pupil aged 18 or over;

"**Complaints Procedure**" means the School's procedure for handling complaints from parents, as amended from time to time for legal or other substantive reasons, or in order to assist the proper administration of the School. It does not form part of the contract between you and the School. A copy of the most up-to-date procedure is on the School's website and is otherwise available from the School at any time upon request;

"**contract**" has the meaning given in [Clause 1\(c\)](#) below;

"**deposit**" means the amount set out and referred to as the deposit in the Acceptance Form (and that is separately set out in the Schedule of Fees);

"**fees**" means the termly fees set out in the Schedule of Fees as amended from time to time;

"**Head**" means the person appointed by the Governors of the School to be responsible for (or to share in the responsibility for) the day-to-day running of the School, including anyone to whom such duties have been delegated;

"**Schedule of Fees**" means the published note of the School's prevailing fees notified to you from time to time and a copy of which remains available on the School's website and from the School at any time upon request;

"**School Rules**": means the rules, guidelines or codes of conduct to be found in the Pupil and Parent handbooks of the Senior and Junior Schools, or "Golden Rules" for Fiveways, and the Boarding handbook for boarders; these rules are sent to parents prior to entering the School; the rules may also be found on our website or a copy may be sent on request; these rules may be amended from time to time for legal, safety or other substantive reason in order to assist in the proper administration of the school. Parents will be notified of such amendments;

"**term**" means a term of the School as notified to parents from time to time;

"**a term's notice**" means **written** notice (acknowledged in writing by the School) given to the Head not later than the first day of the term *before* the term to which the notice relates¹;

"**terms and conditions**" means these terms and conditions as may be amended from time to time;

¹ So if, for example, a term's notice is required to withdraw your child from an extra-curricular activity with effect from the start of the *summer* term (which is the term to which the notice relates) then **a term's notice** means you need to tell us in writing about the withdrawal, at the latest, on the first day of the *spring* term immediately before.

"we" or the "School" means the legal entity carrying on as the School as identified in Clause 1(b) below or its duly authorised representative, as the context requires; and

"you" or the "parents" means each person who has signed the Acceptance Form as a parent or guardian of the child, or a person who with the School's express written consent replaces a person who has signed the Acceptance Form.

In these terms and conditions we sometimes provide illustrative examples to try and provide you with a better understanding of what we are referring to. We do this by using the words "**for example**", "**includes**" or "**including**". When we do use these words, it means that the examples that are given are not exclusive or limiting examples of the matter in question.

We also use headings to introduce separate provisions. These headings are for ease of understanding only.

- (b) Who we are. Ryde School is a company registered in England and Wales. Company registration number 432077, Registered Office is Ryde School, Queens Road, Ryde, Isle of Wight, PO33 3BE. We are a registered charity and our charity registration number is 307409.].
- (c) Our contract with you. The Acceptance Form, the Schedule of Fees, the School Rules [the FIA Terms and Conditions] and these terms and conditions (as in each case may be varied from time to time) form the terms of an agreement (the "contract") between you and the School. It is not intended that the terms of this contract shall be enforceable by your child or by any other third party.

2. Acceptance and Deposit

- (a) How you accept our offer of a place. An offer of a place for your child at the School is accepted by your submitting the completed Acceptance Form and paying the registration fee and deposit.
- (b) The non-refundable status of the registration fee/deposit. The registration fee is not refundable if your child does not take up a place at the School. The deposit is not refundable if your child does not take up a place at the School; the limited exception to this is if they are unable to attend for *bona fide* medical reasons.
- (c) How we use the deposit. The deposit will form part of the general funds of the School whilst your child remains a pupil. Once your child has left the School and all outstanding bills and fees have been settled you will be asked if you would like your deposit to be refunded or used to support children on bursaries. Any deposits not refunded will be used to support our bursary fund, providing opportunities for talented individuals, predominantly but not exclusively on the Isle of Wight, to attend Ryde School. If you have not responded within six months it will be assumed that you are happy for the deposit to be placed in the bursary fund.

PLEASE READ THIS NEXT SECTION CAREFULLY - it deals with what you need to do if you wish to withdraw your acceptance of a place **before** your child joins the School and what happens if you withdraw at that stage.

The cancellation of a place which has been accepted can cause losses to the School, especially if it occurs after other families have taken their decisions about schooling for their children as it means we are less likely to fill the place. This is why we require the period of notice referred to in this section for a withdrawal, and why different consequences follow depending on whether we get that period of notice or not.

3. Withdrawing your Acceptance of a Place before your child joins the School

- (a) The period of notice we require. If you wish to withdraw your acceptance of a place before your child starts at the School you shall give written notice to that effect prior to the first day of the term preceding your child's agreed start date. If such notice is received by the School by that time the deposit will be forfeited in accordance with Clause 2(b) above but no further fees will be payable. If such notice is received on or after that date, a term's fees (charged at the rate applicable for the term immediately preceding the term of departure) shall be payable and shall become due and owing to the School as a debt. The School will credit the deposit you have paid (without interest) to the payment of the term's fees you will owe us.

4. School Fees, Supplemental Charges and Payment

- (a) What the fees include. The fees include all the costs incurred in the usual course of the education by the School of your child, including the provision of any necessary educational materials, which are included in the fees unless otherwise notified to you by the School at any time (either in the Schedule of Fees or otherwise).
- (b) What the fees do not include: supplemental charges. We refer to any items charged to you that are supplemental to the fees (that is, items that are payable by you to the School in addition to the fees) as **supplemental charges**. By way of example, any extra-curricular activities (such as private music lessons, trips and visits) in which you agree in advance your child may participate will be supplemental to items met by the fees and charged for accordingly. In addition, all public examination charges shall be charged as supplemental to the fees. Additional charges incurred by the School in providing individual chargeable lessons for the special educational needs of your child, as set out in the SEN policy (Wave 3 provision), will also be charged as supplemental to the fees.

PLEASE READ THIS NEXT SECTION CAREFULLY - it deals with your responsibility to pay the fees and supplemental charges.

- (c) (i) Who is responsible for ensuring payment. Each of you who has signed the Acceptance Form is liable for and must ensure that all of the fees and supplemental charges due are paid to the School. This is because our contract applies to both of you together and each of you on your own. Each of you remains liable to the School for all of the fees and supplemental charges due UNLESS AND UNTIL the School has expressly agreed in writing with each of you to look exclusively to any other person for payment of the fees and/or any supplemental charges. Each person who signs the Acceptance Form has an individual responsibility to ensure that, between them, the fees and supplemental charges owing to the School are paid. In practice this means that if fees or supplemental charges have not been paid to the School then in order to recover the outstanding payments, the School can seek payment of the full amount outstanding from either parent.
- (ii) How can one person remove him/herself from their payment responsibility. A person who has signed the Acceptance Form may withdraw from this contract with the School by submitting a term's notice but that person must obtain the prior written consent of both the School and the other person who has signed the Acceptance Form.
- (iii) How bursary etc. awards are treated. If your child has been awarded a scholarship/bursary, your responsibility will be to pay for the amount of fees due after taking account of that award. An award may be withdrawn in accordance with (or by reference to) the terms upon which such award is made and/or if, in the opinion of the Head, your child's attendance, progress and/or behaviour no longer merit the continuation of the award. Any such withdrawal of an award will not operate so as to increase the fees due in respect of a term which has already commenced. Where it appears likely to the Head that an award may be withdrawn from your child, you will be notified in advance. If within fourteen (14) days following the withdrawal of a scholarship or bursary your child is withdrawn from the School, no fees in lieu of notice will be payable by you. This will give you enough time to decide whether you want to continue to educate your child at the School.
- (d) How the fees are charged and payment requirements. Each term's fees are charged separately and the fees payable in respect of each term fall due for payment by you on the first day of that term or if fees are paid by direct debit, in monthly instalments, each instalment being due on the first working day of each month. Where fees are paid by direct debit, the fees for each term accrue separately. Direct debit is the school's preferred means of payment.. Each term's fees will be included in an invoice sent to you (or such other person(s) the School may have agreed separately shall pay the fees under Clause 4(c)(i) above).
- (e) Payment of supplemental charges. All supplemental charges for each term (and for other unpaid supplemental charges that were agreed during the previous term) will be collected at the start of each term.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what rights we have, and what action we may take, if fees and/or supplemental charges are not paid in accordance with these terms and conditions.

- (f) (i) Non-payment of fees: refusal to attend school. We may refuse to allow your child to attend the School or to withhold any references while fees remain unpaid or there is a persistent failure by you to pay the fees on time.
- (ii) Non-payment of supplemental charges: refusal to participate in the relevant activity. We may refuse to allow your child to participate in the relevant extra-curricular activity, or sit the relevant public examination(s), while the applicable supplemental charge for that activity or examination(s) remains unpaid.
- (iii) We can charge interest if you pay late. If you do not make any payment to the School by the due date for payment (see Clauses 4(d) and 4(e) above) we may charge interest to you on the overdue amount at the rate of 2% per month above the base rate from time to time of the School's bank. This interest will accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after we obtain a court judgment against you. You must pay the School the interest together with the overdue amount. In addition, after 7 days of non-payment of fees, the school will notify the parent and expect payment within 7 days. Failure to pay will result in the school sending a reminder by post and charging a £50 administration fee for this and each subsequent letter sent. If we elect to carry out this process by email we will charge £25 for each such email sent to you.
- (iv) We can recover our costs for recovering late or non-payments. You will be responsible for paying the costs we incur in recovering, or attempting to recover, any unpaid fees or supplemental charges from you (including reasonable legal costs being costs that would be allowable by the courts if judgment was made in the School's favour).
- (v) We can notify other educational institutions of your outstanding payments. We may inform any other school or educational establishment to which you propose to send your child of any outstanding fees or supplemental charges.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets our right to increase the fees during the course of your child's time at the School.

- (g) [Our ability to increase the fees. We will review our fees during the course of your child's education (usually annually) and may increase them by such an amount the School considers reasonable. Notice of an increase in the fees will be sent to you before the end of the penultimate term before the increase is to take effect. This will allow you time to consider the increase and, if you wish to withdraw your child from the School before the proposed increase is set to take effect, then you will have sufficient time to provide the required term's notice of withdrawal to the School under Clause 5(a) below.]
- (h) Fees and supplemental charges will not be reduced due to your child's absence. Fees and any agreed supplemental charges will not normally be reduced or refunded as a result of absence due to illness or otherwise. If your child takes study leave at home before or during public examinations, or stays at home following those examinations, no reduction of fees will be made in respect of such periods spent at home. (It is possible to take out school fee insurance.)
- (i) The right is reserved to charge all administration and other expenses including staff supervision where the School has to make travel or other arrangements for the pupil before, during or at the end of term.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what period of notice we require from you if you wish to withdraw your child from the School, change the nature of your child's place at the School, or remove your child from participating in an activity for which there is a supplemental charge.

Due to the termly organisation and allocation of resources we will charge you if you do not provide us with the required period of notice to cover the School's losses. In such circumstances we require you to pay us a sum equivalent to the fees and/or supplemental charges you would have paid had the required period of notice been given – we refer to the relevant sum as "**fees in lieu of notice**".

5. Notice Requirements

- (a) Notice to withdraw your child from the School. If you wish to withdraw your child from the School (other than at a normal leaving date), you must either give us a clear term's notice to that effect or pay to the School a term's fees in lieu of notice, at such rate as would have been charged for the final term of provision if a term's notice had been given. This means that if, for example, you wish to withdraw your child with effect from the start of the autumn term (ie, at the start of an academic year) then you would need to tell us in writing that you wish to withdraw your child on or before the first day of the preceding summer term (ie, the final term of the preceding academic year).
- (b) Notice to change your child's place at the School. If you wish to change your child's place at the School from a boarding to a day place you must either give a term's notice or shall pay to the School the difference between the boarding and the day fees in lieu of notice, at such rate as would have been charged for the final term of provision if a term's notice had been given.

If you wish to change your child's place at the school from a day to a boarding place, such a change shall be subject to availability of a boarding place.

- (c) When the relevant amount in lieu of notice must be paid. In cases under (a) or (b) above, the appropriate sum in lieu of notice will become payable by you to us as a debt on the first day of the term which would have been the final term of provision if a term's notice had been given.
- (d) Notice to withdraw your child from participating in an activity/provision covered by a supplemental charge. If you wish to withdraw your child from an activity, charged for as supplemental (including for the avoidance of doubt transport provided by the School), you must either give a half-term's notice to that effect or pay to the School as a debt a half-term's charges for the activity in which your child has ceased to participate.
- (e) Withdrawal part-way through a term does not reduce the amount you owe to the School. The School's affairs are organised on a termly basis and it is not possible for you to reduce the amount of fees or supplemental charges due, or to obtain a refund of fees or supplemental charges, by withdrawing your child or by your child's ceasing to participate in an activity part-way through a term.

6. School Rules

- (a) Compliance with the School Rules. The School's Behaviour Policy and Code of Conduct set out the school rules and has been adopted with the aim of safeguarding the health and safety of all pupils. It is a condition of remaining at the School that you and your child comply with the school rules as amended from time to time and published distinctly within the respective Pupil and Parent Handbooks. In addition, you promise to ensure that your child attends School punctually and that your child conforms to any rules of appearance, dress and behaviour as we may issue (if not already included within the School Rules).
- (b) We may undertake drugs testing of your child. The School may undertake drugs testing of pupils as set out in the Behaviour Policy.
- (c) Monitoring your child's email communications, internet use, and use of social media. The School may, subject to applicable data protection legislation, monitor your child's email communication, internet use, and use of social media. We may do this for various reasons, including ensuring compliance with the School Rules or where it is appropriate for the School to do so (or indeed necessary) in connection with the School's legal and/or other duties and responsibilities or other legitimate purposes or good practice requirements.

7. Expectations and Discipline

- (a) Ryde School is a civilised community where great value is placed on the wellbeing and development of the individual. We expect high standards of behaviour and consideration towards others.
- (b) The School has a series of sanctions for misbehaviour, information about which is available in the Pupil and Parent Handbooks. The following deals specifically with major disciplinary issues.
- (c) The Headmaster uses three sanctions. A Headmaster's Detention, which takes place on a Saturday morning, Suspension from school (also known as Temporary Exclusion) and Expulsion (also known as Permanent Exclusion).
- (d) In some cases the Headmaster will move through the sanctions sequentially. However, such a sequence may be inappropriate, and a single breach of school discipline of a major kind may justify Permanent Exclusion, without any previous warnings or sanctions.
- (e) In other cases sanctions are applied sequentially to act as warnings. The Headmaster does not normally award a Headmaster's Detention more than twice and will apply the sanction of Suspension or Expulsion, if a series of serious misdemeanours continues.
- (f) In the event of gross misconduct, the Headmaster may make a decision to expel or require removal of a pupil on less than a term's notice.

8. Suspension, Exclusion and Required Removal

- (a) The Head's discretion to suspend or exclude your child from the School. The Head may in his or her discretion suspend or, in serious or persistent cases, exclude your child from the School if the Head considers that your child's conduct or behaviour (including behaviour or conduct outside school or in or out of term time) is unsatisfactory and the suspension or exclusion is in the School's best interests or those of your child or other children. The Head will act fairly and in accordance with the procedures of natural justice and will not expel a pupil other than in grave circumstances.
- (b) The Head's discretion to require you to remove your child from the School. Instead of expulsion or suspension, the Head may in his or her discretion, after consultation with a parent, require you to remove your child from the School during or at the end of a term if the Head considers that:
 - (i) your behaviour or conduct (or the behaviour or conduct of one of you): is unreasonable; and/or adversely affects (or is likely to adversely affect) your child's or other children's progress at the School, or the wellbeing of School staff; and/or brings (or is likely to bring) the School into disrepute; and/or is not in accordance with your obligations under this contract where we have cancelled this contract under Clause 15 below;
 - (ii) your child's attendance, conduct or progress is unsatisfactory, or if the pupil in the judgement of the Head, is unwilling or unable to profit from the educational opportunities offered and, in the reasonable opinion of the Head, the removal is in the School's best interests and/or those of your child or other children. If this happens, fees in lieu of notice will not be payable and any prepaid fees and/or supplemental charges for the period after the removal (including, if applicable, the deposit held by the School) will be refunded.
- (c) What happens if your child is suspended, excluded or removed from the School.
 - (i) Should the Head exercise his or her right under either Clause 8(a) or Clause 8(b) above you will not be entitled to any refund or remission of fees or supplemental charges due (whether paid or payable) in or relating to the term in which your child is excluded or suspended and (save in the case of suspension) the deposit will be forfeited meaning that the School will retain the deposit. If you are required to remove your child from the School as a result of the Head exercising his or her discretion under Clause 8(b)(ii) then the deposit will be credited in the usual way (see Clause 2(c)).
 - (ii) If your child is excluded or you are required to remove your child from the School, fees in lieu of notice will **not** be payable and any fees and/or supplemental charges that have been prepaid for or relating to any term after the expulsion/required removal will be refunded.
 - (iii) A pupil who has been withdrawn, excluded, suspended, removed or expelled from the School has not right to enter School premises without the written permission of the Head.

The decision to exclude, suspend or require the removal of a pupil and the manner and form of any announcement shall be at the sole discretion of the Head. In no circumstances shall the School or its staff be required to divulge to parents or others any confidential information or the identities of pupils or others who have given information which has led to exclusion, suspension or removal, or which the Head has acquired during the investigation.

- (e) Impact of exclusion or required removal on this contract. Provided you have paid the School's final invoice, this contract will terminate with immediate effect if your child is excluded or if you are required to remove your child from the School.
- (g) Your right to have disciplinary matters or decisions reviewed. In the event of expulsion or of a pupil's removal being required, the Head will advise of your entitlement to have any serious disciplinary matters or decisions taken by the School and/or Head under this Clause 8 reviewed. Any such review shall be governed by the Complaints Procedure.

9. The School's Obligations

- (a) The period of your child's schooling. Subject to these terms and conditions, the School will accept your child as a pupil of the School from the time of joining the School until the end of his or her schooling. However, the School shall not be obliged to permit your child to progress from one section of the School to the next unless satisfied that it is appropriate to do so having regard to his or her academic attainments and all other relevant circumstances. The School may make a decision as to whether your child may join the Sixth Form after the results of GCSE or equivalent examinations are known, and may make entry to the Sixth Form conditional upon the results of such examinations.
- (b) The scope of our duty to exercise reasonable skill and care for your child's education and welfare. While your child remains a pupil of the School, we will exercise reasonable skill and care in respect of his or her education and welfare. This obligation will apply during school hours and at other times when your child is permitted to be on School premises or is participating in activities organised by the School. We cannot accept any responsibility for the welfare of your child while off the School premises, other than as set out below in respect of boarding pupils, unless he or she is taking part in a school activity or otherwise under the supervision of a member of School staff. For boarding pupils, the School shall adhere to and comply with its obligations as set out in the *National Minimum Standards for Boarding Schools* (applicable from time to time) published under the Children Act 1989 (as amended or superseded).
- (c) Consent to participation in contact sports and similar activities. Unless you notify us to the contrary, you consent to your child participating, under supervision, in contact sports and in other normal sports and activities which may entail some risk of physical injury.
- (d) What happens if your child needs urgent medical attention. If your child requires urgent medical attention while under the School's care, we will if practicable try to obtain your prior consent. However, if it is not practicable to contact you we will make the decision on your behalf if, for example, consent is required for urgent treatment recommended by a doctor or other medical practitioner (including anaesthetic or operation, or blood transfusion (unless you have previously notified us you object to blood transfusions)).
- (e) Our right to make changes at the School. Our prospectus, current information booklets, pupil and parent handbooks, and boarding information booklet describe the broad principles on which the School is presently run and are believed to be correct at the time of printing. However, from time to time it may be necessary to make changes to any aspects of the School, including the curriculum or the manner of providing education for your child (including by providing such education remotely (whilst your child remains at home, for example, where the School is required to close the School premises)) and we reserve the right to do so. For this reason, please notify the School if there is anything of particular concern to you contained in these documents, as it may be that recent changes are not reflected in the current versions.
- (f) We will give you notice of significant changes. We will give you notice of any changes that we regard as significant to your child's education prior to the end of the penultimate term before the change is to take effect. This will allow you time to consider the proposed change and, if you wish to withdraw your child from the School before the proposed change is set to take effect, then you have sufficient time to provide the required term's notice of withdrawal to the School under Clause 5(a) above.
- (g) Monitoring your child's progress at the School. We will monitor your child's progress at the School and produce regular reports. We will advise you if we have any concern about your child's progress but we do not undertake to diagnose dyslexia or other conditions. A formal assessment can be arranged either by you or by the School at your expense. You may be asked to withdraw your child without being charged fees in lieu of notice if in the opinion of the Head the School cannot provide adequately for your child's special educational needs.
- (h) Religious observance. Religious observance at the School will be conducted in accordance with the School Rules.
- (i) Corporal Punishment. In accordance with the law, we will not subject your child to corporal punishment. We will not subject your child to physical contact except where such contact may be deemed appropriate in order to avert an immediate danger of personal injury to, or an immediate danger to the property of, a person (including your child).

10. The Parents' Obligations

- (a) We require your co-operation. In order to fulfil our obligations under this contract and to maintain a constructive and good faith relationship with you, we, the Head and School staff, need your co-operation, including in particular by you fulfilling your own obligations under this contract.
- (b) Examples of the co-operation and assistance we require. You must co-operate with the School and School staff in good faith, including by:
- (i) maintaining a constructive relationship with School staff (including where the School is exercising its rights and performing its obligations under this contract);
 - (ii) encouraging your child in his or her studies, and giving appropriate support at home;
 - (iii) keeping the School up-to-date and informed of matters which affect or may affect your child (including circumstances which arise at any time that affect or may affect your ability to pay the fees and supplemental charges for your child);
 - (iv) ensuring that all details or other information notified or otherwise disclosed to the School about you and/or your child are accurate, truthful and not misleading and that relevant details and information (or changes to it) are not withheld;

- (v) providing cooperation and assistance to the School so that your child can participate in, and benefit from, the School's provision of education (including where the School may wish/need to provide such education remotely); and
 - (vi) attending meetings and keeping in touch with the School where your child's interests so require.
- (c) You must notify us of your child's health/medical conditions or special educational needs. It is a condition of your child's joining and remaining at the School that you complete and submit to the School a medical questionnaire in respect of your child. You must inform the School of any health or medical condition, special educational need(s), disability or allergy that your child has or subsequently develops, whether long-term or short-term, including any infections. You must also provide us, whether upon further request by the School or otherwise, any reports or other materials relevant to any of the same. Each boarder, unless otherwise agreed by the Director of Boarding, will be registered on the National Health Service list of the School Medical Officer.
- (d) Circumstances where we may require you to keep your child away from School. If the School so requires due to a health risk either presented by your child to others or presented to your child by others or by reason of a virus, pandemic, epidemic or other health risk, you undertake to keep your child at home and not permit him/her to return to the School until such time as the health risk has passed. Where it is considered appropriate in such circumstances we will try to continue providing education to your child remotely during such period (including, for example, by sending you/your child work assignments electronically or by post).
- (e) You must notify us of any special arrangements needed for your child. You must inform the School of any situations where special arrangements may be needed for your child, including for their education or welfare.
- (f) You must notify us of any court orders that relate to, or that may impact upon, the provision of education to your child; and provide us with copies of them. You must inform the School if, at any time prior to or during your child's time at the School, a court order is put in place or an undertaking is given to a court in respect of (or relating to) your child's attendance at the School (including its premises) and/or the School's provision of education to your child. These would include any court order or undertaking given to a court which may deal with or impact upon in any way: (i) your child's living and/or contact arrangements; (ii) your child's education, welfare and/or upbringing; and/or (iii) the payment of fees and/or supplemental charges. In any such circumstances you must (whether upon request or otherwise) promptly provide the School with copies of the relevant court order(s) or undertaking(s) (or the relevant parts of them).
- (g) We are entitled to expect that parents have consulted with each other regarding decisions relating to your child. You (and each of you as the holders of parental responsibility for your child) acknowledge and agree that, prior to and during your child's time at the School, the School is entitled to assume that you have consulted with each other so far as decisions regarding your child are concerned. Accordingly, except under Clause 10(h) below, you (and each of you) accept that the School is entitled to treat:
- (i) any instruction, authority, request or prohibition received from one of you as having been given on behalf of both of you*; and
 - (ii) any communication from the School to one of you as having been given to both of you,

unless the School is in receipt of a contradictory communication, in which circumstance the School would expect the holders of parental responsibility to resolve the matter, otherwise the School will default to the position as if no communication had been received.

PLEASE READ THIS NEXT SECTION CAREFULLY – it sets out who needs to sign a notice of withdrawal of your child.

- (h) We are entitled to require that notices of withdrawal must be signed by both parents. A notice of withdrawal of your child served under this contract must be in writing and signed by each of you as the holders of parental responsibility for your child (and the School shall be entitled not to accept such notice unless and until all holders of parental responsibility for the child have signed such notice).
- (i) You must notify us of your child's absence from School. The Head must be informed as soon as possible in writing of any reason for your child's absence from School. Wherever possible the School's prior consent should be sought for absence from the School.
- (j) Pupil's residence. The Head must be notified in writing immediately if a pupil is not with at least one person who has parental responsibility.
- (k) Parents residing overseas. When both parents reside outside the United Kingdom, parental responsibility must be delegated to a suitable adult who has agreed to take full responsibility for the pupil when not at school and who can, if necessary, come to the School at short notice.
- (l) Raising concerns with the School and making formal complaints. If you have cause for concern as to a matter of safety, care, discipline or progress of your child you must inform the School without undue delay. Complaints should be made in accordance with the Complaints Procedure. A copy of the most up-to-date version of the Complaints Procedure is on the School's website and is otherwise available from the School at any time upon request.

11. **Insurance**

Your responsibility to make your own insurance arrangements. You must make your own insurance arrangements if you require cover for your child or their property while at School or for the payment of fees due to absence of your child or closure of the School premises. Details of policies available through the School will be sent with the first invoice.

PLEASE READ THIS NEXT SECTION CAREFULLY

Although there will be circumstances when it is appropriate to seek a parental consent, data protection and privacy rights belong to the individual. The law considers that children of average maturity will, from the age of around 13, have sufficient awareness of their own privacy to make certain decisions relating to their personal data themselves and sometimes, but not always, the law may require that the decision of the child is more important than that of the parent.

In most cases, it will not in fact always be necessary or practical for us to obtain consent for every use we make of personal data of you or your child. The law recognises this but also requires that we set out clearly what these uses are as far as possible. Please also see our Privacy Notice which is available on the School's website or separately upon request.

12. **How we may use Personal Information: References, Confidentiality and Data Protection**

- (a) We may provide a reference for your child. We may supply information and a reference in respect of your child to any educational institution which you propose your child may attend. Any reference supplied by us will be confidential. We will take care to ensure that all information that is supplied relating to your child is accurate and any opinion given on his/her ability, aptitude for certain courses and character is fair. However, we cannot be responsible for any loss you are or your child is alleged to have suffered resulting from opinions reasonably given, or correct statements of fact contained, in any reference or report given by us.
- (b) We will need to use information relating to your child, and to you, for certain purposes connected with the running of the School. This will include name, contact details, school records, photographs and video recordings, both whilst your child is at the School and after he or she has left, for the purposes of:
- (i) managing relationships between the School and current pupils/parents and fulfilling our obligations under the contract with you;
 - (ii) promoting the School to prospective pupils/parents;
 - (iii) publicising the School's activities; and
 - (iv) communicating with the school community and the body of former pupils.
- In respect of (ii), (iii) and (iv), this includes use of such information by the School in/on the School's prospectus (in whatever format or medium it is produced/made available), the School's website(s) [and (where appropriate) the School's social media channels].
- (c) You are required to update us of changes to information held, or in circumstances relating to, you and/or your child. You must:
- (i) confirm (or update, if necessary), when requested, such information (and/or documentation) about (or relating to) you and/or your child that is held by the School; and
 - (ii) inform the School of any change to you or your child's circumstances (including, where applicable, in connection with your child's entitlement to enter, reside and/or study in the United Kingdom), or to information about (or relating to) you or your child that has previously been notified to the School, including relevant contact details.
- (d) As Tier 4 sponsor we need your consent to us providing certain information to UKVI. In order to comply with our responsibilities as a licensed sponsor under Tier 4 of the Home Office's points-based system for immigration purposes, you consent to us notifying and/or supplying information relating to you and/or your child's right to enter, reside and/or study in the United Kingdom to the *United Kingdom Visas and Immigration* (UKVI) unit of the Home Office (and to do so whether we actually sponsor your child or not).
- (e) We will send information (eg, school reports) about your child to both of you as a matter of course. You agree that those persons who have parental responsibility for your child are entitled to receive certain information about your child from the School (including school reports, correspondence and other materials relating to his or her progress, development and/or education generally). The School shall therefore disclose such information as a matter of routine to such persons UNLESS the School is restricted from doing so by a court order (or similar direction) or by any other legal requirement or obligation (for example, under the Data Protection Act 1998 (as amended or superseded)).
- (f) Data Protection Law. The School will process personal data about you and your child in accordance with the Data Protection Act 1998 (as amended or superseded, including from 25 May 2018 the General Data Protection Regulation) and other related legislation. We will process such personal data:
- (i) as set out in this Clause 12, and in the School's *Privacy Notice* which is available on the School's website as may be amended from time to time;
 - (ii) in order to comply with any court order, request from or referral to an appropriate authority, or legal, regulatory or good practice requirement; and

- (iii) to perform our obligations under this contract, and where otherwise reasonably necessary for the school's purposes.

13. **Intellectual Property Rights**

Recognising these rights. We shall recognise any intellectual property rights created, generated or owned by or vested in your child.

14. **Changes in Ownership, etc**

The circumstances in which we may transfer this contract to someone else. For the purposes of constitutional changes to the School (including changes to the legal entity that owns and runs the School) or amalgamation of the School with another we may transfer the undertaking of the School to another person or organisation. We will notify you if we plan to do this and we will ensure that the transfer will not affect your rights under this contract. We may transfer our rights and obligations under this contract in connection with any such transfer and/or amalgamation.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out the rights we have, and that you have, to cancel this contract early (that is, before the normal leaving date for the end of your child's schooling).

15. **Ending this Contract**

(a) Our rights to end the contract. The School may end this contract at any time by notice in writing to you, without any prejudice to its other remedies and without any obligation to return any deposit or fees paid to you, if:

- (i) you do not make a payment to us when it is due and you still do not make payment within 14 fourteen (14) days of us reminding you that such payment is due;
- (ii) you (or either of you) make a serious misrepresentation of facts or circumstances to us, or you (or either of you) withhold important information from us, about you and/or your child or that is relevant to the provision of education by the School to your child (such as misrepresenting at any point in time (and whether by act, omission or withholding of information on your part) that you and/or your child is legally entitled to enter, reside and/or study in the United Kingdom when in fact you/your child is not);
- (iii) you fail or refuse to complete and submit to the School a medical questionnaire in respect of your child
- (iv) you (or either of you):
 - (a) are unable, following our request, to demonstrate that you will be able to pay the fees and supplemental charges due under this contract;
 - (b) are otherwise unable to pay your debts as they fall due;
 - (c) are the subject of a bankruptcy petition or order; or
 - (d) you enter into an individual voluntary arrangement; or
- (v) you otherwise do not comply with (ie, you breach) your obligations under this contract such that we have a legal right to end the contract because of something you have done wrong or, in the Head's reasonable discretion, the School is not able to provide, or is compromised in providing, the educational services it needs to in satisfaction of its obligations under this contract.

(b) Your rights to end the contract. You may end this contract at any time by notice in writing to the School if:

- (i) you have a legal right to end the contract because of something we have done wrong; or
- (ii) the School becomes insolvent or goes into liquidation or receivership or administrative receivership or is wound-up for any reason.

(c) When this contract will end if not terminated early. For the avoidance of doubt and without us having to provide you with notice, this contract shall end on the settlement of the School's final invoice or the end of your child's schooling, whichever is later. This may be at the end of Year 11 if your child does not meet any requirements imposed under Clause 9(a) for entry to the Sixth Form.

(d) Ending the contract will not affect any accrued rights. Once this contract ends, it will not affect any legal rights or obligations that either you or we have that may already have arisen. After this contract ends, you and we will keep any rights we have under general law.

16. **Events outside of our, or your, control**

(a) What we mean by an "event outside of our/your control". We mean any event beyond either your or our reasonable control including, by way of example and for the avoidance of doubt, acts of God, war, riot, civil commotion, compliance with any law or governmental order, rule, regulation or direction (including that of a local authority), accident, fire, flood, storm, pandemic or epidemic of any disease, terrorist attack, chemical or biological contamination. In the remainder of this Clause 16 we shall refer to these as an "event".

(b) What happens if we are affected by an event outside of our control. If an event beyond our control arises which prevents or delays the School's performance of any of its obligations under this contract, the School shall give you notice in writing specifying the nature and extent of the circumstances giving rise to the event. Provided that the School has acted reasonably and prudently to prevent and/or minimise the effect of the event, the School will not be responsible for not performing those of our obligations which are prevented or delayed by, and during the continuance of, the event. To the extent reasonably practicable in the circumstances the School shall try during the continuance of

the event to continue to provide educational services (including by providing appropriate educational services remotely).

- (c) What happens if your child is affected by an event outside of your control. Subject to Clause 4(h), if your child is unable to attend (or is likely not to be able to attend) the School due to reasons caused by an event you shall give the School notice in writing of such circumstances and the following provisions shall apply:
- (i) in consultation and cooperation with the School you shall do everything you reasonably can to minimise the impact of the event in order to continue to perform your obligations under this contract in any way that is reasonably practicable in the circumstances; and resume the performance of the obligations as soon as reasonably possible;
 - (ii) in circumstances where, following the efforts made and steps taken under (i) above, your child is not able to participate and benefit from any level of provision of education by the School then you shall not be responsible for failing to perform your obligations (including the obligation to pay fees, pro-rated accordingly) during the continuance of the event; and
 - (iii) if the event continues to prevent your child from attending the School or being able to participate and benefit from any level of provision of education by the School for more than six (6) months you shall discuss with the School a solution by which this contract may be performed and, following such discussions, you shall be entitled to cancel the contract on written notice to the School and without giving a term's notice or paying a term's fees in lieu of notice.

17. Communications between you and the School

- (a) Notices must be in writing. When this contract requires you or the School to give notice of something to the other then, unless we agree otherwise, this should be done in writing.
- (b) We will use the contact details held by the School to contact you. Communications (including notices) will be sent by the School to you at the address(es) shown in our records, or using your other contact details included in our records. You must notify the School of any change of address(es) or other contact details of any person who has signed the Acceptance Form and of other significant changes to family circumstances.
- (c) How to provide written notice to the School. Notices that you are required to give under these terms and conditions must be in writing addressed to the Head and either:
- (i) sent by email to the School using this email address: headmaster@rydeschool.net
 - (ii) delivered by hand to the School;
 - (iii) sent to the School by recorded or other form of registered post requiring a signature upon receipt as proof of delivery; or
 - (iv) otherwise sent to the School's address by first or second class post. If sent by first or second class post, notice shall be deemed to have been given on the second day after posting.

In light of the importance under this contract of serving certain notices on or before a particular deadline (and the consequences that follow if you do not do so) we recommend that if you provide notice under any of Clauses 3, 4(c)(iii), 5(a), 5(b) or 5(d) of these terms and conditions² you telephone the School to confirm receipt if you have not received an acknowledgement from us within 48 hours (during term-time) and 5 days (during a school holiday period) after sending the notice.

18. The Law that applies to this contract and where legal proceedings may be brought

- (a) The law that applies to this contract. The contract between you and the School is governed by English Law and either you or the School must bring legal proceedings in respect of this contract in the English courts.
- (b) Rights in relation to the enforcement of this contract. If we choose not to enforce any part of this contract, or delay enforcing it, this will not affect our right to enforce the same part later (or on a separate occasion) or the rest of this contract. And, if we cannot enforce any part of this contract, this will not affect our right to enforce the rest of this contract.

19. Changes to these Terms and Conditions

Reserving the right to change these terms and conditions. We reserve the right to change or add to these terms and conditions from time to time for legal, safety or other substantive reasons or in order to assist the proper delivery of education at the School. The School will send you notice of any such modifications prior to the end of the penultimate term before the modifications are to take effect.

² ie, those provisions dealing with **withdrawing** your child from the School or otherwise changing your child's place at the School or the activities/provision that your child is undertaking at the School
