

WESTHILL NURSERY AT RYDE SCHOOL

Westhill Nursery Holiday Club Booking

Welcome to our automated Nursery Holiday Club booking system by MagicBooking. This booking system is OFSTED compliant and gives you full control of your own and your children's data including health care plans, emergency contact details, authorised collectors and communication preferences. The initial set up takes about 5 - 10 mins to add in your details but you only have to do that once. Once you've created your account and added your children it is very simple to book and amend dates. Please read the document below to help in navigating this new system.

The process is simple.

1. Create an account
2. Add your child/children
3. Book and pay

The following document has all the information on how to set up an account and then book places. Please take time to read through the document before you set up your account. Please note the information about choosing a Classroom for each child. You will not be able to book any dates unless your child is in a Classroom.
